■ FIRM OVERVIEW

Métoudi & Associés is an auditing, accounting and consulting firm. Its human size permits it to best serve clients offering a high level of operational flexibility and a rapid response time.

Our partners, each of whom is responsible for their own matters, rely on a competent, available and completely dedicated team at the service of our clients.

Since 1994, our partners, chartered accountants, have acquired recognised professional experience and are well known in their specialised field of practice.

Our consultants are all university graduates, and are supervised by managers having the requisite qualifications and experience in all of our fields of practice.

Our client base is comprised of a large number of companies of all sizes:

- Professionals,
- Small and medium-sized enterprises,
- Groups and Associations,
- Subsidiaries of international groups

Our clients operate in very varied sectors of activity, i.e.:

- Service,
- Telecom,
- Audiovisual,
- Print Media,
- Trade,
- Real Estate,
- Industry.

Our permanent objective: Communicating reliable information, and permitting the head of the company to anticipate the future and better manage the present.

Over the course of time we have established a network of correspondents and specialists in different fields:

- Specialised attorneys or consultants (i.e., commercial, criminal, tax, employment, real estate, insurance, IT),
- Banks and investment companies (LBO, factoring, leasing, Daily assignments),
- Network of foreign correspondents in the tax, accounting and legal fields,
- Notaries public (estate planning, sales and disposals),
- Judicial receivers (prevention, recovery of troubled companies).
