The experience and excellence of our staff, along with the support of our partners, chartered accountants, represent one of the main strengths of the service that Métoudi & Associés provides to its clients, most of whom are small and medium-sized enterprises.

On the accounting level, our service mainly consists in defining the accounting methodology and principles, book keeping, review of accounts and preparation of financial statements.

In tax matters, we assist our clients on a permanent basis by:

- Identifying and validating the options chosen,
- Preparing their declarations and returns,
- Assisting clients during audits of accounts,
- Providing personal income tax advice,
- Identifying and monitoring tax credits.

Our Chartered Accountants' main duties consist in:

- Preparing interim statements and reports in accordance with IFRS, US GAAPs and French GAAPs,
- Preparing the annual financial statements,
- Reviewing financial statements,
- Preparing and reviewing the annual tax returns (corporate income tax return forms, VAT summary, business tax, etc.).
